

# Mercenary

## The Mission

He's crying inside  
Can't tear the hurt out  
Life's rushing by  
Like an old movie backdrop  
The radio's blasting  
Song after song  
About the big romance  
That went all wrong  
She says  
"I just wanted to make you  
I never meant to break you"  
He says  
"Have some mercy on me  
Do you have to be such a mercenary?"  
She's scheming inside  
Can't stop the wheels turning  
Been through it before  
There's no profit or learning  
She's not really bad  
Just a gold-plated heart  
So scared to be alone  
It rips her apart  
She says  
"I just wanted to make you  
I never meant to break you"  
He says  
"Have some mercy on me  
Do you have to be such a mercenary?"  
She says  
"I just wanted to make you  
I never meant to break you"  
He says  
"Have some mercy on me  
Do you have to be that way?  
I just wanted to make you  
I never meant to break you"  
He says  
"Have some mercy on me  
Do you have to be such a mercenary?"
