

We've Gotta Put Jesus Back

Kurt Carr & The Kurt Carr Singers

[Spoken Intro]

Everybody, I am a Jesus promoter.

I got a new song that says:

We've got to put Jesus back, make Him number one,

First in our lives; that's where He belongs!Verse:

Oh, great church, mighty and strong

Go back to the values you were built upon.

Oh, brothers and sisters, come on, come on!

Remember we're not losers; we are the champions.

They took prayer out of the schools;

We shouldn't have allowed this!

Now they're even trying

To take Jesus out of Christmas!Chorus:

Church, arise, arise and be strong.

We've gotta put Jesus back. (3x)

Number one: That's where He belongs!Jesus is the way, Jesus is the way,

Jesus is the only way to make it.
