News For You

Eric Benet

Doo, doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo, doo, doo, doo
You tell me that love ain't been going your way
Cause you've been searching, but good ones are hard to find
Said you won't settle for less than your heart is asking
And life's too precious just to be wasting time.
Disappointment is something that's so familiar
You get them hopes up high to watch them fall again
So you stopped trying to find your one in a million
And the language of your love, can't nobody comprehend
[Chorus:]Well listen to this, see I got news for you
Cause you don't know how I do
I'll find ways to make you smile
They never knew about
Reaching corners of your mind
That no one's tried to find
Think your time for love is through
Well, I got news for you!
Ooh, I got news for you, yeah baby!
Your body's glistening all over with satisfaction
I've shown you pleasures, girl
You thought you'd never feel
Said you were flying like the world was far below us
You said there's no way that I could take you higher still
[Chorus:]Well listen to this, cause I got news for you
I still got work to do
When you're thinking that I'm done
That's just when I've just begun
Reaching corners of your mind
That no one's tried to find
When you think my love is through
Girl I've got news for you!

Ooh, have I got news for you, yeah!
I've got news for you
Ooh have I got news for you, yeah baby! Oh..
{Bridge:]
Don't you worry about me leaving (no, no, girl)!
Ain't trying to be deceiving (never, no)!

You said I'm too good to be true
Baby I got news for you (got news girl)!
Don't you worry about me leaving (woo)!
Ain't trying to be deceiving (woooo)!
You said I'm too good to be true (just too good)
Well I got news for you!
[Chorus:]See I got news for you
Cause you don't know how I do
I'll find ways to make you smile
They never knew about
Reaching corners of your mind
That no one's tried to find
Think your time for love is through
Well, I got news for you!
See I got news for you
Cause you don't know how I do
I got ways to make you smile
They never knew about
Reaching corners of your mind
That no one's tried to find
Think your time for love is through
I got news for you!
See I got for news for you
Oooh have I got news for you!
You, you, you, yeah baby!
