

# Changing All Those Changes

## Buddy Holly

I should have reconsidered all those things I said I'd do  
so now I'm changing all those changes  
that I made when I left you  
Sweetheart I'm changing all those changes  
that I made when I left you  
because I made those changes when I thought you were untrue  
But now you're gone - I've found I'm wrong  
there's nothing I can do

that I made when I left you  
except to change up all those changes  
I didn't stop to think - I just left without a care  
and now I know you're gone and I can't find you anywhere  
I should have reconsidered all those things I said I'd do  
so now I'm changing all those changes  
that I made when I left you
