

# Boys 'Round Here (ft. The Pistol Annies)

Blake Shelton

Red red red red red red red red redneck Well the boys 'round here don't listen to The Beatles  
Run ole Bocephus through a jukebox needle  
At a honky-tonk, where their boots stomp  
All night what? (That's right)  
Yeah, and what they call work, digging in the dirt  
Gotta get it in the ground 'fore the rain come down  
To get paid, to get the girl  
In your 4 wheel drive (A country boy can survive) Yeah the boys 'round here  
Drinking that ice cold beer  
Talkin' 'bout girls, talkin' 'bout trucks  
Runnin' them red dirt roads out, kicking up dust  
The boys 'round here  
Sending up a prayer to the man upstairs  
Backwoods legit, don't take no shit  
Chew tobacco, chew tobacco, chew tobacco, spit Aw heck  
Red red red red red red red red red redneck Well the boys 'round here, they're keeping it country  
Ain't a damn one know how to do the dougie  
(You don't do the dougie?) No, not in Kentucky  
But these girls 'round here yep, they still love me  
Yeah, the girls 'round here, they all deserve a whistle  
Shakin' that sugar, sweet as Dixie crystal  
They like that y'all and southern drawl  
And just can't help it cause they just keep fallin' For the boys 'round here  
Drinking that ice cold beer  
Talkin' 'bout girls, talkin' 'bout trucks  
Runnin' them red dirt roads out, kicking up dust  
The boys 'round here  
Sending up a prayer to the man upstairs  
Backwoods legit, don't take no shit  
Chew tobacco, chew tobacco, chew tobacco, spit Let me hear you say  
(Ooh let's ride)  
Through the country side  
(Ooh let's ride)  
Down to the river side Hey now girl, hop inside  
Me and you gonna take a little ride to the river  
Let's ride (That's right)  
Lay a blanket on the ground  
Kissing and the crickets is the only sound  
We out of town

Have you ever got down with a  
Red red red red red red red red red redneck?  
Do you wanna get down with a,  
Red red red red red red red red red redneck?  
Girl you gotta get down With the boys 'round here  
Drinking that ice cold beer  
Talkin' 'bout girls, talkin' 'bout trucks  
Runnin' them red dirt roads out, kicking up dust  
The boys 'round here  
Sending up a prayer to the man upstairs  
Backwoods legit, don't take no shit  
Chew tobacco, chew tobacco, chew tobacco, spit(Ooh let's ride)  
Red red red red red red red red red redneck  
(Ooh let's ride)  
I'm one of them boys 'round here  
(Ooh let's ride)  
Red red red red red red red red red redneck  
(Ooh let's ride)Well all I'm thinkin' 'bout is you and me, how we'll be  
So come on girl, hop inside  
Me and you, we're gonna take a little ride  
Lay a blanket on the ground  
Kissing and the crickets is the only sound  
We out of town  
Girl you gotta get down with a  
Come on through the country side  
Down to the river side
