

# Today I Started Loving You Again

## Tantowi Yahya

Today I started loving you again  
I'm right back where I've really always been  
I got over you just long enough to let my heartache mend  
Then today, I started loving you again  
What a fool I was to think I could get by  
With only these few millions tears I cry  
I should have known the worst was yet to come  
And that crying time for me had just begun  
Cause today I started loving you again  
I'm right back where I've really always been  
I got over you just long enough to let my heartache mend  
Then today I started loving you again  
Well today I started loving you again  
I'm right back where I've really always been  
I got over you just long enough to let my heartache mend  
Then today I started loving you again  
Then today I started loving you again
