Drip (Remixed By Kazu Makino)

Liars

In your bloodstream
I am growing now
A foreign crystal
Never to be found
I am overjoyed
To be your disease
But don't ever hunt me down
Don't you ever shake me off
'Cos I'm all alone in here
'Cos I'm all alone
When will I awake
From this dormant sleep
To eat
To eat
So won't you let me in?
Won't you let me in?
Won't you let me in?
