

# **Straight to the Top**

## **Stan Bush**

Live in a town where you fight to survive  
I've learned to stand on my own and to keep my dreams alive  
Workin' hard every day when life stays the same, can bring a man down  
But a feelin' drives me on, keeps my world turnin' 'round  
I won't be satisfied, there's a hurricane I was born to ride  
Chorus:  
That's takin' me straight to the top, I wanna run where the eagles fly  
Never gonna stop till I find my place in the sky  
Takin' it straight to the top  
When you're reachin' for the glory, you will never die  
Down on the line, they're gettin' the best of me  
But I don't belong here, I'll follow my destiny  
When I stand on that mountain with my head in the clouds, I know who I am  
And I'll find that higher ground where I can walk like a man  
If I don't try I'll never know, there's a hunger down inside my soul  
(chorus)  
I won't be satisfied, there's a hurricane I was born to ride, yeah  
(chorus)  
(Solo)  
I won't be satisfied, there's a hurricane I was born to ride, yeah  
(chorus repeats out...)
