## Black Box

Get down  
Get down  
Get down  
Get down  
Get down

Get down Every man has a place

In his heart there's a space

And the world can't erase his fantasies Take a ride in the sky

On our ship, fantasize

All your dreams will come true right away And we will live together

Until the twelfth of never

Our voices will ring forever as one Come to see victory in a land called Fantasy

Loving life for you and me

To behold to your soul is ecstasy You will find other kind that has been in search of you

Many lives has brought you to

Recognize it's your life now in review Get down Every thought is a dream

Rushing by in a stream

Bringing life to your kingdom of doing Take a ride in the sky

On our ship, fantasize

All your dreams will come true right away Our voices will ring together

Until the twelfth of never

We all will live on forever as one Come to see victory in the land of fantasy

Loving life a new decree

Bring your mind to everlasting liberty As you stay for the play, fantasy has in store for you

Glowing light will see you through

It's your day, shining day, all your dreams come true As you glide in your stride with the wind as you fly away

Give a smile from your lips and say

"I am free, yes, I'm free, now I'm on my way" Come to see victory in the land of fantasy

Loving life a new decree

Bring your mind to everlasting liberty Get down

Get down Our voices will ring together

Until the twelfth of never

We all will live on forever as one Come to see victory in the land of fantasy

Loving life a new decree

Bring your mind to everlasting liberty As you stay for the play, fantasy has in store for you

Glowing light will see you through

It's your day, shining day, all your dreams come true As you glide in your stride with the wind as you fly away

Give a smile from your lips and say

"I am free, yes, I'm free, now I'm on my way" Come to see victory
