

Decode (Live at Red Rocks)

Paramore

How can I decide what's right?
When you're clouding up my mind
I can't win your losing fight
All the timeNor can I ever own what's mine
When you're always taking sides
But you won't take away my pride
No, not this time
Not this timeHow did we get here?
When I used to know you so well?
How did we get here?
Well, I think I knowThe truth is hiding in your eyes
And it's hanging on your tongue
Just boiling in my blood
But you think that I can't seeWhat kind of man that you are
If you're a man at all
Well, I will figure this one out
On my own(I'm screaming, I love you so)
On my own
(But my thoughts you can't Decode)How did we get here?
When I used to know you so well? YeahHow did we get here?
Well, I think I knowDo you see what we've done?
We're gonna make such fools of ourselves
Do you see what we've done?
We're gonna make such fools of ourselvesHow did we get here
When I used to know you so well? Yeah, Yeah
How did we get here?
I used to know you so wellI think I know
I think I know
There is something I see in you
It might kill me, I want it to be true
