Cab Driver

The Mills Brothers

Cab driver drive by Mary's place

I just want a chance to see her face

Don't stop the meter any way

Cab driver drive by Mary's place Cab driver once more 'round the block

never mind the ticking of the clock

I only wish we could have heard her talk

Cab driver once more 'round the block Cab driver once more down her street

Theres a little place we used to meet

that's where I laid my future at her feet

cab driver once more down her street Cab driver wait here by her door

I just want to hold her in my arms once more

then things maybe just like they were before

cab driver wait here by her door
