

# My Lovely Man

## Red Hot Chili Peppers

I used to shout across the room to you  
And you'd come dancin' like a fool  
Shuffle step, you funky mother  
Come to me, all warm as covers  
Rest with me, my lovely brother  
For you, see, there is no other  
Memory, so sad and sweet  
I'll see you soon, save me a seat  
Well, I'm cryin' now, my lovely man  
Yes, I'm cryin' now and no one can  
Well, ever fill the, the hole you left, my man  
I'll see you later, my lovely man, if I can  
In my room I'm all alone  
Waiting for you to get home  
Listen to Roberta Flack  
But I know you won't come back  
Well, I'm cryin' now, my lovely man  
I'll see you later, my lovely man if I can  
Just in case you never knew  
I miss you, Slim, I love you too  
See my heart, it's black and blue  
When I die, I will find you  
Well, I'm cryin' now, my lovely man  
Yes, I'm cryin' now and no one can  
Well, ever fill the, the hole you left my man  
I'll see you later, my lovely man if I can  
Well, I'm cryin', my lovely man  
Well, I'm cryin', my lovely  
[Incomprehensible] my lovely man  
I'll see you later, my lovely man  
We have some good time, my lovely man
