

# Children Surrender

## Black Veil Brides

We're born into the night like children of the damned  
Our pain will shine a light to those who understand BORN INTO THE NIGHT!  
PAIN WILL SHINE OUR LIGHT! Whoa whoa sink your teeth into forever  
Whoa whoa sunlight burns Children Surrender An exercise of life to cut beneath our hands  
Like souls who missed their plight, we'll bleed along the sand BORN INTO THE NIGHT!  
PAIN WILL SHINE OUR LIGHT! Whoa whoa sink your teeth into forever  
Whoa whoa sunlight burns Children Surrender YEAH! Sink your teeth into forever Whoa whoa sink your teeth  
into forever  
Whoa whoa sunlight burns Children Surrender
