We Fight For Diamonds

Cut Copy

This is why we won't delay for your birthday
Secrets that we held that day will be kept straight
All your friends have gone away, so let's celebrate
Your holding hope open for the one, making you wait
Lights and music, are on my mind
Be my baby, one more time
Lights and music, are on my mind
Be my baby, one more time
Coding crystals you cant hide as your tears race
I'll be waiting by in time, put your dreams away
Your holding hope open for the one, making you wait
Lights and music, are on my mind
Be my baby, one more time
Lights and music, are on my mind
Be my baby, one more time
