One Step Inside Doesn't Mean You Understand

The Notwist

Prepare your shoes
Not to come back soon,
Prepare your heart
Not to stop too soon.
You cannot walk with us.
One step inside doesn't
Mean you understand,
One step inside doesn't mean I'm yours.
In your world my feet are out of step,
My arms don't move, my hand
Won't grab.
I will never read your stupid map,
So don't call me incomplete,
You are the freak.
