

Light Me Up

Bronze Radio Return

I don't really know you
But I hope we can relate

Oh...

I like to be excited
And I like to celebrate
Oh...

Oh...I'm asking you[Chorus:]

If you're feeling good
Is all I need to know
'Cause you light me up
Oh, you light me up

When you're good to goAnd when you feel right
I'm electrified
'Cause you light me up
Oh, you light me up
So tell me how ya feeling tonight

Tell me how ya feeling tonight(So tell me, tell me, tell me... how you're feeling tonight)I like the sound of
laughter

I like when your ass shakes
Oh...

Here we are together
Tonight I'm wide awake
Oh...I'm asking you[Chorus:]
If you're feeling good
Is all I need to know
'Cause you light me up
Oh, you light me up

When you're good to goAnd when you feel right
I'm electrified
'Cause you light me up
Oh, you light me up
So tell me how ya feeling tonight

Tell me how ya feeling tonightI'm a looking for, looking for some
I'm a looking for a little action
I'm a looking for, looking for some
I'm a looking for a little passion

I'm a looking for a feel-good person(So tell me, tell me, tell me... how you're feeling tonight)I'm a looking for a
little action

I'm a looking for a little action(So tell me, tell me, tell me... how you're feeling tonight)[Chorus:]

If you're feeling good
Is all I need to know
'Cause you light me up
Oh, you light me up
When you're good to goAnd when you feel right
I'm electrified
'Cause you light me up
Oh, you light me up
So tell me how ya feeling tonight
Tell me how ya feeling tonight
