Hey Mr. Bluebird

Wilburn Brothers

[Wilburn Bros & Ernest Tubb]
Hey Mr Bluebird come stay with me
And you can build your nest in my best apple tree
Hey Mr Sunshine along with you
Can't seem that friends of mine since all my dreams fell through
I've been so lonesome that I could die
And tears like raindrops keep falling from my eyes
So Mr Bluebird please be a friend
And teach this blue blue heart of mine to sing again
[guitar]
Hey Mr Bluebird come stay with me...
And teach this blue blue heart of mine to sing again
