Candy

Jessica Sutta

Ain't nobody watching us when the lights are off
You know I know,
You know I love it when you dirty talkReady for you now, just close this space
Yeah, let's get to it, baby, face to face[Pre-Chorus:]
Whatever's clever, I'm down
Let's make this some night to remember
Get down
Then come and push upon it
You got the green light,
So, here's your chance
Body to body, we'll dance[Chorus:]
When I hear my song tonight
I'ma give my life,
I'ma work, I'ma strut
Disbelieve your eyes, oh yeah
Tastes like candy, (la-ti-la-ti)
Tastes like candyÃ¢Â€Â˜Cause when the music's loud
And I hear that sound
Feel the bass in my chest
I'ma break it down,
And it tastes like candy, (la-ti-la-ti)
Tastes like candy (la-ti-la-ti)Wanna make your heart pump
Gonna make you sweat
You're in for a big surprise
I look better wet
I'm ready for you now to leave your mark
In the dark, baby no holds barred[Pre-Chorus:]
Whatever's clever, I'm down
Let's make this some night to remember
Get down
Then come and push upon it
You got the green light,
So, here's your chance
Body to body, we'll dance[Chorus:]
When I hear my song tonight
I'ma give my life,
I'ma work, I'ma strut
Disbelieve your eyes, oh yeah
Tastes like candy, (la-ti-la-ti)

Tastes like candyÃ¢Â€Â˜Cause when the music's loud
And I hear that sound
Feel the bass in my chest
I'ma break it down,
And it tastes like candy, (la-ti-la-ti)
Tastes like candy (la-ti-la-ti)Once we stop there'll be no interruptions (la-ti-la-ti)
Take your time, 'cause there's no need for rushin' (la-la-ti)
Ooh, (la-ti-la-ti)
Ooh, (la-ti-la-ti)[Chorus:]
When I hear my song tonight
I'ma give my life,
I'ma work, I'ma strut
Disbelieve your eyes, oh yeah
Tastes like candy, (la-ti-la-ti)
Tastes like candyÃ¢Â€Â˜Cause when the music's loud
And I hear that sound
Feel the bass in my chest
I'ma break it down,
And it tastes like candy, (la-ti-la-ti)
Tastes like candy (la-ti-la-ti)
(la-ti-la-ti)
