

Sad Songs to Sing Along To

Lonely Pirate Committee

moving like gelatinÂ
with the mass of an elephant
riding all the time
like theres no end in sight

giveÂ themÂ sad songs
to sing along to
when youâ€™re feeling spent

not one to talkÂ
spill the beans on your new carpet
hot rocks on the belly of the beastÂ
not one to talk

keep the cubs tameÂ
with melancholy dosesÂ
more of the same fruitÂ
bore from the bitter hostessÂ
