Let It Be Me

Lyn Collins

There may come a time
A time in everyone?s life
Where nothing seems to go your way
Where nothing seems to turn out right
There may come a time
You just can't seem to find your way
For every door you walk on to
Seems like they get slammed in your face
That?s when you need someone
Someone that you can call
And when all your faith is gone
Feels like you can't go on
Let it be me
Let it be me
If it's a friend that you need
Let it be me
Let it be me
Feels like your always comin? on home
Pockets full of nothin? and you got no cash
No matter where you turn, you ain?t got no place to stand
Reach out for something and they slap your hand
Now I remember all too well
Just how it feels to be all alone
You feel like you?d give anything
For just a little place you can call your own
That?s when you need someone
Someone that you can call
And when all your faith is gone
Feels like you can't go on
Let it be me
Let it be me
If it's a friend you need
Let it be me
Let it be me
Let it be me
Let it be me
If it's a friend you need
Let it be me
Let it be me

Let it be me
