Dare To Dream

D-side

You and me, baby, can meet for the weekend
To solidify all our plans
We'll follow a jet stream to some place exotic
All in the name of romance
'Cause we're still young and in love
And we just believe
We can be strong and do anything
If we dare to dream
We'll find a place on a cliff by the ocean
And pay a couple months rent
I'll sell my paintings down by the boardwalk
So we'll have money to spend
And we're still young and in love
And we just believe
We can be strong and do anything
If we dare to dream
Dare to dream, take it to the extreme
Let your heart and soul lead the way
Live, love, seize the day
And dare to dream, dare to dream, dare to dream
Don't try to stop us, don't tell us we're crazy
You're only wasting your breath
We're bound to make and determined to make it all happen
It's just a matter of when
'Cause we're still young and in love
And we just believe
We can be strong and do anything
If we dare to dream
And we're still young and in love
And we just believe
We can be strong and do anything
If we dare to dream
Dare to dream
If we dare to dream
If we dare to dream
Dare to dream
If we dare to dream
