

Let Me Move You

Jimi Hendrix

Baby let me move ya
Ooo, Baby let me move ya
Baby let move
Ooo, Baby let me move
You know you lookin' so good
Oh, Baby let me move ya
With ya pretty fine self
You know you're lookin so good
I just wanna move ya
I just wanna move ya
You know you're lookin so good
Have you ever been moved?
Oh, Come on!
Let me move ya
Oh baby let me move ya
You lookin so good
I like the way you groove it
I just wanna move you
Tell me, have you ever been moved?
Oh baby let me move, yeah
Early in the morn'
Sugar
Let me move ya
In the midnight hour
Oh baby let me move
Anytime, anywhere, anyhow
Oh, I just wanna move ya
Oh, I just wanna move ya
I don't care, I don't mind
I don't mind honey let me move ya
Come on babe, and let me move ya.
[Vamp]
Come on little girl take me, take me by my hand
Come on, come on and tell me, I know sweet lovin'
Come on, come on and tell me,
That I'm the best man in the land
Good God Almighty
Let me move ya
Little girl, come on, let me move ya

Let me move ya
Great God, ya body. I just wanna move ya
If I only live another day
I just wanna move you little girl today
