

Humbled

[LeAnn Rimes](#)

1, 2, 3 Are you in a place
Where you think the whole world's got it wrong apart from you?
Play like you're the chosen one
I've been that poster child a time or two
It's not like I woke up one morning
Decided I would just go Get humbled by the fall
Humbled, humbled
I wasn't the first one on my knees
Get in line, you won't be far behind me
Humbled First thing I want to know is which side of the river you standing on?
Half of you get off on throwing stones
You either get it or you don't
It's not like you'll wake up one morning
Decide that you will just go Get humbled by the fall
Humbled, humbled
I wasn't the first one on my knees
Get in line, you won't be far behind me
Humbled Yeah everything I wanted
Was nothing that I needed
Yeah but everything I needed
Was exactly what I got
Go on and struggle if you wanna
You'll only suffer if you fight it
And the longer that you fight it
The further down you're knocked Humbled by the fall
You're humbled, humbled
I wasn't the first one on my knees
Get in line, you won't be far behind me
Humbled I'm humbled by the fall
Humbled, humbled
I wasn't the first one on my knees
Get in line, you won't be far behind me
Humbled
