

Back Out (feat. Ty Dolla \$ign)

Nef The Pharaoh

[Chorus: Nef The Pharaoh]

I got somethin' to blow your back out (back out)

I got somethin' to blow your back out

I got somethin' to blow your back out (back out)

I got somethin' to blow your back out

I can tell by the look in your eyes, babe

You ain't had a real nigga in your life, ayy

I can tell by the look in your eyes, babe

You ain't had a real nigga in your life, ayy

I got somethin' to blow your back out (back out)

I got somethin' to blow your back out

I got somethin' to blow your back out (back out)

I got somethin' to blow your back out[Verse 1: Nef The Pharaoh]

I hit it and pull her tracks out

The chain, I make 'em tap out

Switchin' positions 'til she pass out

She fell asleep with her ass out

It all started at a party, she was dancin' seductive

Then Snoop came on, we got a sexual eruption

I don't really kiss and tell, you just gotta wish me well

Fine like wine, she cold enough to freeze over hell

Like a boat, you one in a million

Wrote a four page letter, what a wonderful feelin', my left eye

Go a little crazy when I think about baby

Give her TLC, she waterfall on me

I know you been lookin' for the one

She don't wanna be a player, be fun

So I hit her with the jawn, wake her up

She got me goin' crazy for her coco pops[Chorus: Nef The Pharaoh]

I got somethin' to blow your back out (back out)

I got somethin' to blow your back out

I got somethin' to blow your back out (back out)

I got somethin' to blow your back out

I can tell by the look in your eyes, babe

You ain't had a real nigga in your life, ayy

I can tell by the look in your eyes, babe

You ain't had a real nigga in your life, ayy

I got somethin' to blow your back out (back out)

I got somethin' to blow your back out

I got somethin' to blow your back out (back out)
I got somethin' to blow your back out[Verse 2: Ty Dolla \$ign]
 'Tron got you all in your zone
 You said, "Dolla, don't leave me here alone"
 That booty got a mind of its own
 Well, I bet you can't do it on the pole
 She said, "Dolla, I can take the D" (oh yeah)
 Nigga, don't sleep on me (yeah)
 Don't you ever count me out (me out)
 I'm a certified freak, no doubt
 Smack you on the ass and you tell me go all the (go all the)
 Like to get choked when I'm on top (on top)
 Kissin' on your breasts when you ride it (she said)
 "Boy, you know I never be a savage"
 Dolla blow my back out, ooh yeah (yeah, yeah, yeah, yeah)
 And I won't give it to nobody else, ooh yeah, aw, yeah
