

Mr. Rager

Kid Cudi

I'm off on an adventure
This song is dedicated to all the kids like me
I'm on my way to heaven
Wherever you are, now.
Birds singin', flyin' around
You never see them too long on the ground
You wanna be one of them. Yeah (x2)
You might hear the birds singin', flyin' around
You never see them too long on the ground
You wanna be one of them. Yeah (x2)
Woah now

[Chorus]

Hey, Mr. Rager, Mr. Rager,
Tell me where you're going
Tell us where you're headed
I'm off on the adventure
Mr. Rager, tell me some of your stories
Tell us of your travels
Hey, Mr. Rager, Mr. Rager,
Tell me where you're going
Tell us where you're headed
I'm on my way to heaven
Mr. Rager, let me tag along
Can we take that journey?
Knocked down round for round
You're feelin' like you're shot down on the ground
When will the fantasy end?
When will the heaven begin? Yeah
You might be knocked down round for round
You're feelin' like you're shot down on the ground
When will the fantasy end? Yeah
When will the heaven begin? Yeah
Woah now

Hey, Mr. Rager, Mr. Rager,
Tell me where you're going
Tell us where you're headed
I'm off on the adventure

Mr. Rager, tell me some of your stories

Tell us of your travels

Hey, Mr. Rager, Mr. Rager,

Tell me where you're going

Tell us where you're headed

I'm on my way to heaven

Can we take that journey?

Oh oh oh oh oh oh oh oh oh oh oh oh oh (x2)

Can we take that journey?

Oh oh oh oh oh oh oh oh oh oh oh oh oh
