Mr. Rager

Kid Cudi

I'm off on an adventure

This song is dedicated to all the kids like me
I'm on my way to heaven
Wherever you are, now.
Birds singin', flyin' around
You never see them too long on the ground
You wanna be one of them. Yeah (x2)
You might hear the birds singin', flyin' around
You never see them too long on the ground
You never see them too long on the ground
You wanna be one of them. Yeah (x2)
Woah now

[Chorus]

Hey, Mr. Rager, Mr. Rager, Tell me where you're going Tell us where you're headed I'm off on the adventure Mr. Rager, tell me some of your stories Tell us of your travels Hey, Mr. Rager, Mr. Rager, Tell me where you're going Tell us where you're headed I'm on my way to heaven Mr. Rager, let me tag along Can we take that journey? Knocked down round for round You're feelin' like you're shot down on the ground When will the fantasy end? When will the heaven begin? Yeah

> Hey, Mr. Rager, Mr. Rager, Tell me where you're going Tell us where you're headed I'm off on the adventure
