

Leader

Bif Naked

Get offa me
Away from me
Got me outa here
Let go of me
Don't bother me
I'm no leaderGet offa me
Away from me
Got me outa here
Let go of me
Don't bother me
Don't wanna be your leaderWhat's wrong with you?
I wash the dishes
Walk to the post office
I get some juice in my mouthI spit it out
I spit it out
I spit it out
I spit it all over my clean shirt
It says "Vail"Well, I'm not yours or anyone's
I don't even own myself
I know you always watch me
I just wanna be by myselfGet offa me
Away from me
Got me outa here
Let go of me
Don't bother me
I'm no leaderGet offa me
Away from me
Got me outa here
Let go of me
Don't bother me
Don't wanna be your leaderYou don't know me
So don't touch me
I'm not here to validate your behaviorYou need to stop
You need to stop
You need to stop talking so fastI'm not interested
In anything you have to say
I wish you would
Crawl back up to the barTell it to your drink
Tell it to your drink

Tell her who you areDon't tell me
Don't talk to me
I want you to shut your mouthGet offa me
Away from me
Got me outa here
Let go of me
Don't bother me
I'm no leaderGet offa me
Away from me
Got me outa here
Let go of me
Don't bother me
Don't wanna be your leaderGet offa me
Away from me
Got me outa here
Let go of me
Don't bother me
I'm no leaderGet offa me
Away from me
Got me outa here
Let go of me
Don't bother me
Don't wanna be your leaderI cannot be your leader
I cannot be your leaderStop lookin' at me
Stop lookin' at me
Stop lookin' at me
Stop lookin' at meI brush my teeth
Stop looking at me
I park my car
Stop looking at meGet on the train
Stop looking at me
I turn around
You stop looking at meGet offa me
Away from me
Got me outa here
Let go of me
Don't bother me
I'm no leaderGet offa me
Away from me
Got me outa here
Let go of me
Don't bother me
Don't wanna be your leaderGet offa me
Away from me
Got me outa here

Let go of me
Don't bother me
I'm no leaderGet offa me
Away from me
Got me outa here
Let go of me
Don't bother me
Don't wanna be your leaderDon't wanna be your leader
Don't wanna be your leader
Don't wanna be your leader
...
