Cry

Roy Orbison

If your sweetheart sends a letter of goodbye
Its no secret youll feel better if you cry
When waking from a bad dream dont you sometimes think its real?
But its only false emotions that you feelIf your heartaches seem to hang around too long
And your blues keep getting bluer with each song
Remember sunshine can be found behind a cloudy sky
So let your hair down and go on and cryRemember sunshine can be found behind a cloudy sky
So let your hair down and go on and cry
