

Warp

Urban Absolutes

You shaped ideas system
You made it clear system
You'll pay the price system

Look what you've done

I've got the feeling

I've got the feeling

It's begun to warp

I've got the feeling

I've got the feeling

It's begun to warp

I've got the feeling

I've got the feeling

You told some lies system

The big surprise system

But open eyes system

Saw through it all

I've got the feeling

I've got the feeling

It's begun to warp

I've got the feeling

I've got the feeling

It's begun to warp

Warp

Warp

Warp

Warp

All over now system

They found you out system

So where to now system

Look what you've done

I've got the feeling

I've got the feeling

It's begun to warp

I've got the feeling

I've got the feeling

It's begun to warp

I've got the feeling

I've got the feeling

I've got the feeling

I've got the feeling
It's begun to warp
