

# Jealousy

## Pet Shop Boys

At dead of night when strangers roam  
The streets in search of anyone who'll take them home  
I lie alone, the clock strikes three  
And anyone who wanted to could contact me  
At dead of night 'til break of day  
Endless thoughts and questions keep me awake  
It's much too late Where've you been?  
Who've you seen?  
You didn't phone when you said you would  
Do you lie?  
Do you try  
To keep in touch? You know you could  
I've tried to see your point of view  
But could not hear or see  
For jealousy I never knew time pass so slow  
I wish I'd never met you or that I could bear to let you go  
At dead of night 'til break of day  
Endless thoughts and questions keep me awake  
It's much too late Where've you been?  
Who've you seen?  
You didn't phone when you said you would  
Do you lie?  
Do you try  
To keep in touch? You know you could  
I've tried to see your point of view  
But could not hear or see Where've you been?  
Who've you seen?  
You didn't phone when you said you would  
Do you lie?  
Do you try  
To keep in touch? You know you could  
I've tried to see your point of view  
But could not hear or see  
For jealousy Where've you been?  
Who've you seen?  
You didn't phone when you said you would  
Do you lie?  
Do you try  
To keep in touch? You know you could

I've tried to see your point of view  
But could not hear or see  
For jealousy Where've you been?  
Who've you seen?  
You didn't phone when you said you would  
Do you lie?  
Do you try  
To keep in touch? You know you could  
I've tried to see your point of view  
But could not hear or see  
For jealousy  
I never knew 'til I met you
