Gotta Go!

Backyard Babies

(Borg, Dregen, Carlsson)I gotta go now, and I don? t need you
Sometimes it feels like suicide it? s on my mind
I ain? t got time for a second round
I gotta go go go `til I find that piece of mindAnd I hate you and I can break you
Sometimes you have to realise that I ain? t nice
I had to break that bitch for a second time
I gotta go go go `til I find that piece of mindAnd I ain? t takin? more of your good advice
I wanna feel like I? m supernatural one more time
But I doubt that I? m gonna be old
You know I had to please my soul
Somehow you feel like me, so why don? t we drop itGotta go, I gotta go now
Sometimes it feels like suicide it? s on my mind
I ain? t got time for a second round
Realise that I ain? t nice
I had to break that bitch for a second time
I gotta go go go `til I find that piece of mind
