

This Is Me

Demi Lovato

I've always been the kind of girl
That hid my face
So afraid to tell the world
What I've got to say But I have this dream
Right inside of me
I'm gonna let it show
It's time to let you know
To let you know This is real, this is me
I'm exactly where I'm supposed to be now
Gonna let the light shine on me Now I've found who I am
There's no way to hold it in
No more hiding who I wanna be
This is me Do you know what it's like
To feel so in the dark?
To dream about a life
Where you're the shining star Even though it seems
Like it's too far away
I have to believe in myself
It's the only way This is real, this is me
I'm exactly where I'm supposed to be now
Gonna let the light shine on me Now I've found who I am
There's no way to hold it in
No more hiding who I wanna be
This is me You're the voice I hear inside my head
The reason that I'm singing
I need to find you, I gotta find you You're the missing piece I need
The song inside of me
I need to find you, I gotta find you This is real, this is me
I'm exactly where I'm supposed to be now
Gonna let the light shine on me There's no way to hold it in
No more hiding who I wanna be
This is me, this is me Now I've found who I am
There's no way to hold it in
No more hiding who I wanna be
This is me
