

Creeping In My Soul

[Cryoshell](#)

I see your face before my eyes
I'm falling into darkness
Why must I fight to stay alive
Heroes falling Wake me can't you hear me calling
Out of darkness they come crawling Here I am, I am lost in your land
And I hope you will be - creeping in my soul
Shadows fall, let me out, hear my call
And I'll always believe - creeping in my soul (Creeps from the deep's gonna freaking up your mind)
(Creeps from the deep's gonna feeding of your spine) I fade away into the night
My eyes are closing in
(I'm gonna get you soon)
Shadows are fleeing from the light
My nightmares can begin Wake me can't you hear me calling
Out of darkness they come crawling Here I am, I am lost in your land
And I hope you will be - creeping in my soul
Shadows fall, let me out, hear my call
And I'll always believe - creeping in my soul Creeping in my soul - it's getting out of control
I got to find my escape and get out of this black hole
Is justice in the world is hard to find
Time has come... Got to make up my mind
No matter how deep or remote you hide
All my thoughts has caught up inside
Creeps from the deep's gonna freaking up your mind
Creeps from the deep's gonna feeding of your spine Here I am, I am lost in your land
And I hope you will be - creeping in my soul
Shadows fall, let me out, hear my call
And I'll always believe - creeping in my soul
