Just Like Heaven

Killingbird

Show me, show me, show me
How you do that trick?
"The one that makes me scream," She said
"The one that makes me laugh," She said
And threw her arms around my neck
Show me how you do it
And I promise you, I promise that
I'll run away with you, I'll run away with you
Spinning on that dizzy edge
I kissed her face, I kissed her neck
And dreamed of all the different ways
I had to make her glow
"Why are you so far away," She said
"Why won't you ever know that I'm in love with you
That I'm in love with you?"
You, soft and only
You, lost and lonely

You, strange as angels
Dancin' in the deepest oceans
Twistin' in the water
You're just like a dream
You're just like a dream
Daylight whipped me into shape
I must have been asleep for days
And breathin' lips and through her name
I open up my eyes
I find myself alone, alone, alone
Above a ragin' sea
That stole the only girl I loved
And drowned her deep inside of me
You, soft and only
You, lost and lonely
You, just like Heaven
