

Don't Stay

[Laura Izibor](#)

Looking back on the years you see
It was you and me but I gave too much you see, oh yeah
And now it seems you've grown tired [Incomprehensible]
Wanna walk away but you feel obliged to stay, yeah We break up and make up
And everything would be brand new
We got to pace up, there ain't no make up
I said there's nothing left to do And don't stay if you don't wanna stay, oh baby, I'll be okay
Believe me when I say I'ma be alright
Don't stay if you don't wanna stay, oh baby, I'll be okay
Believe me when I say I'ma be alright I'd rather be without you
Livin' with you is too hard to take, oh, oh, yeah
And I know you don't feel the same
'Cause it's written, it's written, it's written all over your face, yeah Remember when we break up and make up
And everything would be brand new
We got to pace up, there ain't no make up
I said there's nothing left to do, oh And don't stay if you don't wanna stay, oh baby, I'll be okay
Believe me when I say I'ma be alright
Don't stay if you don't wanna stay, oh baby, I'll be okay
Believe me when I say I'ma be alright It's so hard what I got to do, oh
I gotta make you leave for both me and you, oh, oh, oh, oh
And it's so crazy how things have changed
'Cause we ain't the same And don't stay if you don't wanna stay, oh baby, I'll be okay
Believe me when I say I'ma be alright
Don't stay if you don't wanna stay, oh baby, I'll be okay
Believe me when I say I'ma be alright And don't stay if you don't wanna stay, oh baby, I'll be okay
Believe me when I say I'ma be alright
Don't stay if you don't wanna stay, oh baby, I'll be okay
Believe me when I say I'ma be alright Ooh, I'll be okay
Believe me when I say I'ma be alright, I'ma be alright
I'ma be alright, I'ma be alright, I'ma be alright
