Eric's Song

12 Stones

Sometimes I feel like I am so far away
I'm lost inside my thoughts
And I don't know what to say
I know I need You now more every day
I push, I pull, I run so far away
Well, I'm sick and tired of living this way
Sick and tired of being alone
Sick and tired of running from your love
Sometimes I feel like I am so far away

I'm lost inside my mind
Won't You help me find my way?
I know I need You now more every day
I push, I pull, I run so far away
Well, I'm sick, sick, sick and tired, baby
Well, I'm sick, sick, sick and tired, baby
Well, I'm sick, sick, sick and tired, baby
I'm sick and tired, oh, yeah
