No Good

Kate Voegele

I never feared the unexpected
Until I found myself in this peculiar place
Unaware where I was headed
Oh, it turns out it was your footsteps I had chased
Well, I should know so much better than this
Yeah, yeah, yeah, yeah
But you?ve occupied the center of my universe
So I?m moving in reverse, under your mighty curse
I hate myself for loving you
I turn my head away but my heart will remain
Till the day I learn you?re no good for me, no
It?s illogical and it?s outrageous
The way I let you keep me hangin? on
Your character is that contagious
Oh, I know I should have thought before I had done
I?ve gone and let my impulse be my guide
And on that note, I?ll be defenseless for some time
I?m moving in reverse, under your mighty curse
I hate myself for loving you
I turn my head away but my heart will remain
Till the day I learn you?re no good for me
Hey you there, keep your distance

Don?t you come around here
Don?t test my patience, baby
?Cause I ain?t gonna let you off easy
No, no, no, no, no
Oh, you?re no, no, no, no good
No good, no good, no
I?m moving in reverse, under your mighty curse
I hate myself for loving you
I turn my head away but my heart will remain
Till the day I learn you?re no good for me
I?m moving in reverse, under your mighty curse
I hate myself for loving you
I turn my head away but my heart will remain
Till the day I learn you?re no good
Till the day I learn you?re no good
Till the day I learn you?re no good for me

Oh no, oh, you?re no good, you?re no good
You?re no good, you?re no good for me
You?re no good, you?re no good
You?re no good for me, no, no good
Oh, you?re no good, no
Oh, you?re no good, no, oh, you?re no good
