Till I Found You

Phil Wickham

I searched through the Earth for something that could satisfy
A peace for the hurt I had buried deep inside
Knees on the floor, I finally found everything I needed
You lifted my soul and opened up my eyesAnd I never knew anything lasts forever
Till I found You, till I found You
I never dreamed anything could be better
Till I found You, till I found YouYou rewrited my story
And I'm brand new like the morning
Oh, I never knew anything lasts forever
Till I found You
Till I, till I found YouTill I, till I found You
Till I, till I found You
Till I, till I found You
Count all the days, I'm chasing after what won't last
I'm done with building these castles that crumble like sand
Oh, knees on the floor
I finally found that everything I
needed was always right in front of me
You gave me a name
You changed everything, yeah yeahI never knew anything lasts forever
Till I found You, till I found You
I never dreamed anything could be better
Till I found You, till I found YouYou rewrited my story
And I'm brand new like the morning
Oh I never knew anything lasts forever
Till I found You
Till I, till I found You
Till I, till I found You
Till I, till I found You
Till I, till I found YouI never knew anything lasts forever
Till I found You, till I found You
I never dreamed anything could be better
Till I found You, till I found YouYou rewrited my story
And I'm brand new like the morning
Oh I never knew anything lasts forever
Till I found You
Till I, till I found YouTill I, till I found You
Till I, till I found You
Till I, till I found You

Till I, till I...You rewrited my story
And I'm brand new like the morning
Oh I never knew anything lasts forever
Till I found You
Till I, till I found You
