

# Cry Cry

[Heidi Newfield](#)

I know a girl, she was a waitress  
Had a big spirit till she let her boyfriend break it  
He always talked her down, took her pride and kicked it around  
Took it as long as she could take it  
She left a note on the dresser and hung up her apron  
Cry, cry till the sun shines, baby  
Cry, cry till the sun shines  
It's gonna be alright, it's gonna be alright, baby  
I know a man who tried to ease his mind  
Chased his regrets with any bottle he could find  
Life cut him down so low, took his pride and broke his soul  
Till he forgave himself and let it go  
Cry, cry till the sun shines, baby  
Cry, cry till the sun shines  
It's gonna be alright, it's gonna be alright, baby  
We're all here just trying to live our lives  
Pay our electric bills and spending up our time  
There ain't a friend to be found who can't break through the concrete clouds  
When the rain, when the rain comes crashing down, oh yeah  
Cry, cry till the sun shines, baby  
Cry, cry till the sun shines  
It's gonna be alright, it's gonna be alright, oh yeah  
Cry, cry till the sun shines, baby  
Cry, cry till the sun shines  
It's gonna be alright, it's gonna be alright, baby
