# Black Thoughts

## The Jon Spencer Blues Explosion

I can't stop
I can't stop
I can't stop
Thinking black thoughtsI can't stop
I can't stop
I can't stop
Thinking black thoughtsI crash into a wall
No feelings at all
How far will I fall
Before I hit the bottom?Gotta get out before I'm sunk
Out of this glue, out of this rut
What the fuck?!Gotta stop thinking black thoughts
