Dreamer

Ivory Hours

Dreamer
She thinks no one sees her
Hides behind her blue eyes
Glowing in the moonlightDreamer
I know I can't keep her
She flickers like a firefly
Leaves me feeling tongue-tied
Whenever I'm near herIf you stay with me
Darling I could be your man
If you let me be
Your lover I'll do anything
If you stay with me
Darling I could be your man
I could set you free
And we could be happyDreamer
She says no one needs her
Says she doesn't deserve love
Weddings make her nervous
