

# Why Don't You Leave Me Alone

## Hank Williams III

Well, last night you told me  
That I ain't worth a dime  
Well, don't worry, honey  
'Cause I'm leaving this time Why don't you leave me alone?  
Why don't you leave me alone?  
Well, your hillbilly daddy's packin'  
And I'm gonna get gone We never got along  
I guess we never will  
So I'm saying so long  
It oughta give you a thrill Why don't you leave me alone?  
Why don't you leave me alone?  
Well, your hillbilly daddy's packin'  
And I'm gonna get gone Well, I'm going joint-jumpin'  
Down at Club 21  
I ain't looking for a trouble  
I just gotta have fun Why don't you leave me alone?  
Why don't you leave me alone?  
Well, your hillbilly daddy is packin'  
And I'm gonna get gone You want a sensitive sissy  
That'll hear your command  
Not a hillbilly singer  
With a five-piece band Why don't you leave me alone?  
Why don't you leave me alone?  
Well, your hillbilly daddy's packin'  
And I'm gonna get gone Last night you told me  
That I ain't worth a dime  
Well, don't worry, honey  
'Cause I'm leaving this time Why don't you leave me alone?  
Why don't you leave me alone?  
Well, your hillbilly daddy is packin'  
And I'm gonna get gone Well, your hillbilly daddy's packin'  
And I'm gonna get gone
