

# Lean On Me

Seal

Sometimes in our lives We all have pain We all have sorrow  
But if we are wise We know that there's Always tomorrow  
Lean on me, when you're not strong And I'll be your friend I'll help you carry on  
For it won't be long Till I'm gonna need Somebody to lean on  
Please swallow your pride If I have things You need to borrow  
For no one can fill Those of your needs That you won't let show  
You just call on me brother When you need a hand We all need somebody to lean on  
I just might have a problem That you'll understand We all need somebody to lean on  
Lean on me, when you're not strong And I'll be your friend I'll help you carry on  
For it won't be long Till I'm gonna need Somebody to lean on  
You just call on me brother When you need a hand We all need somebody to lean on  
I just might have a problem That you'll understand We all need somebody to lean on  
If there is a load You have to bear That you can't carry  
I'm right up the road I'll share your load If you just call me  
Call me If you need a friend (Call me) Call me (Call me) If you need a friend (Call me) If you ever need a friend  
(Call me)  
Call me (Call me) Call me (Call me) Call me (Call me) Call me (Call me)  
If you need a friend (Call me) Call me (Call me) Call me (Call me) Call me (Call me) Call me (Call me)
