Only One

The Donut Man

Only One
There is just One God
Only One
One True and Living God
Only One
He is the Father of Jesus Christ

Only One
There is just One God
Only One
One Lord above all Lords
Only One
He is our Saviour: Jesus Christ

So tell me, who will you worship?
Only Him
Who will you praise?
Only Him
Who are you gonna love, all of your days?

Who will you bow down to (Only Him) when your life is done?
God's son, He's the only One
God's son, He's the only, only One

Repeat Song

Ending:
God's son, He's the only One
God's son, He's the only One
God's son, He's the only One
God's son, He's the only, only One
