Killing Moon

Pavement

Under blue moon I saw you
So soon you'll take me up in your arms
Too late to beg you or cancel it
Though I know it must be the killing time
Unwillingly mineFate's up against your will
Through the thick and thin
You must wait until
You give yourself to himIn starlit nights I saw you
So cruel you'll take me
Your lips a magic world
Your sky all hung with jewels
The killing moon will come too soonFate's up against your will
Through the thick and thin
You must wait until
You give yourself to himCucumber, cu-cu-cumber, ca-ca-ca-ca-cabbage
Cucumber, cu-cu-cu-cu-cu-cu-cu-cu-cabbage
He's a yo-yo man, always up and down
So take him to the end of his temperFate's up against your will
Through the thick and thin
You must wait until
You give yourself to himFate's up against your will
Through the thick and thin
You must wait until
You give yourself
You give yourself to him
You give yourself to him
You give yourself to him
