

Fun (feat. Chris Brown)

Pitbull

Oh, feeling crazy
The moon is up, the night is hazy
Let's get lost in the shadows
Somewhere we can go
And no one else can find
Loosen up your body til' you come undone
Loosen up your body baby come undone
Loosen up your body til' you come undone
Loosen up your body baby come undone
Oh my my, looking like good-good time
Don't disguise
The way you wanna love tonight
Oh my my, hook you with a brand new high
Don't be shy, I just wanna live tonight
Live a little F.U.N, fun
Fresh from Monaco, performing for Microsoft
Miami to L.A., G4, we takin' off
I'm a hard worker, I'm far from the boss
But when it's said and done, I'm owning it all
I know you think it's just rap
Just this, just that, haha, right
Nah baby, this my life
Wanna have fun for a night?
Then just
Loosen up your body baby til' you come undone
Loosen up your body baby come undone
Loosen up your body baby til' you come undone
Loosen up your body baby come undone
Oh my my, looking like good-good time
Don't disguise
The way you wanna love tonight
Oh my my, hook you with a brand new high
Don't be shy, I just wanna live tonight
Live a little F.U.N, fun
Co-headlining, on tour, with Enrique
Often casa gampo, who would've thought de que
Down in Key Largo, you know I'm on that sticky
Icky, icky, icky, icky
Don't do it much, but when I do, I'm gone
Don't take it all off, keep your heels and thong
Ah Mamã that turns me on
Now just listen to the song, and
Loosen up your body til' you come undone
Loosen up your body baby come undone
Loosen up your body til' you come undone
Loosen up your body baby come undone
Oh my my, looking like good good time

Don't disguise
The way you wanna love tonight
Oh my my, hook you with a brand new high
Don't be shy, I just wanna live tonight
Live a little F.U.N, fun Come on Mamã, you know what it is
Come on baby, you know what it is
I wanna uh, let's go to the crib
And if you want, you can bring your friends Come on Mamã, you know what it is
Come on baby, you know what it is
I wanna uh, let's go to the crib
And if you want, you can bring your friends And we can F.U.N., fun (Let's go, let's ride, let's show 'em how we
do it in the 305) Loosen up your body til' you come undone
Loosen up your body baby come undone
Loosen up your body til' you come undone
Loosen up your body baby come undone
