Pete Philly & Perquisite

I'm gonna see my baby
She makes me feel like movin'

I'm gonna see my baby
She makes me feel like movin'

She makes me feel high

She makes me feel low

I'm gonna see my baby
She makes me feel like groovin'

I see you go to see your baby
Does she make you feel like groovin'?

She make you feel like

Spend your money

She make you feel low

Need my honey

Gonna go see my honey

Gonna go see my honey

She makes me feel like groovin'

When you go to see your honey
When I go to see my honey
Need my honey
She makes me feel
She makes me feel
