

Changin Me

Cady Groves

I got sunshine in my pocket
I got a sucha whata perfect day
I'm feelin' kinda worth it, says the smile on my face
It's written on my face

(chorus)

I don't know where I'm goin' but I'm bound to see
What I'm capable of bein' if the world's takin' me
And I know he knows she knows we know
Can't change history but history is what's changin' me
Hey, it's changin' me

I got my heart tied in my locket
I got a dollar to my name
I made 'em both a promise
That they're not gonna go to waste
No, not today

(chorus x2)
