Not Right Now

Jason Gray

You could see the smoke from a mile away
And trouble always draws a crowd
They wanna tell me that it'll be okay
But that's not what I need right now
Not while my house is burning down

I know someday
I know somehow
I'll be okay
But not right now
Not right now

Tell me if the hope that you know is true
Ever feels like a lie even from a friend
When their words are salt in an open wound
And they just can't seem to understand
That you haven't even stopped the bleeding yet

I know someday
I know somehow
I'll be okay
But not right now
No, not right now

Don't tell me when I'm grieving
That this happened for a reason
Maybe one day we'll talk about the dreams that had to die
For new ones to come alive
But not right now

While I wait for the smoke to clear
You don't even have to speak
Just sit with me in the ashes here
And together we can pray for peace
To the one acquainted with our grief

I know someday
I know somehow
I'll be okay
But not right now

Not right now
No, not right now
