

# In The Still Of The Nite (I'll Remember)

## Boyz II Men

In the still of the night  
I held you, held you tight  
Oh I love, love you so  
Promise I'll never let ya go  
In the still of the night  
In the still of the night I remember (I remember) that night in bed  
Well the stars (the stars) were bright above  
I hope and I pray  
To keep your precious love So before the light  
Hold me again  
With all of your might  
In the still of the night  
In the still of the night So before the light  
Hold me again with all of your might  
In the still of the night  
In the still of the night  
In the still of the night
